Dear Parents/Guardians,

Our Lady of Grace Academy strives to create an environment effective for learning. We observe a dress code to achieve that objective. Below you will find the changes to the Uniform Policy for next year. We wanted to give all families plenty of notice and time before uniforms for next year are purchased. Please be aware that we are adding polos with a OLOGA logo as part of our uniform next year to be worn on Mass days. Looking ahead, polo with an OLOGA logo will be the only polo allowed for the 2020-2021 school year. Students are welcomed to wear a polo with an OLOGA logo polos every day next year, does not have to be just on Mass days

Students are expected to wear neat, untorn and clean clothes. Shirts are to be tucked in at all times. Clothes must fit appropriately, not being too large or too small.
