

Dear Parents/Guardians,

Our Lady of Grace Academy Catholic School requires all students to be in school uniform. The school uniform provides the child with a sense of identity and unity within our community and is an integral part of our identity.

For the school year 2019-2020, we will be having a new school uniform. Our school colors are black, white and purple and the school uniform will be representing our colors. We will also be changing our pants and skirts to black and khaki. Next school year, will be a transition year to our new uniform. Below, you will see the approved uniform for next school year. The red in our uniform has now been eliminated. We are still allowing navy blue polo's and pants/skirts but these too will be eliminated after the 2018-2019 school year.

We understand that change can be hard at times. Our Lady of Grace Academy is here to support all of our students and families. A black polo has been purchased for every student for the 2018-2019 school year. We also have a lot of school uniforms available for those families that are in need of additional uniform pieces. Please contact the school office to let us know what your families need.

Guidelines

- All children are expected to wear full school uniform every day
- The Principal and Leadership Team is responsible for the implementation and maintenance of the Uniform Policy with the support of teaching staff
